Criminal History: A criminal background check will be conducted for each applicant. Criminal reports are evaluated on the basis of arrests and convictions for misdemeanors and/or felonies. Our screening agency conducts the criminal background check and issues an "approved or declined" based on written criteria established with the screening agency.

Rental Score: Marsh Properties relies upon "Rental Scores" to estimate the relative financial risk of leasing an apartment to you. In addition to estimating risk, rental scores are an objective and consistent way of reviewing relevant applicant information, and help speed the application approval process.

It is our company policy to not discuss individual scores with applicants or try to explain details of how the scoring system works. Applicants will be given information to contact our screening agency regarding their score.

The rental scores fall into one of three categories established by our screening agency – Approved;

Approved with Conditions; Denied. If the applicant's score falls within the "Approved With Conditions" category and the applicant chooses not to accept the "conditions" the application cannot be approved.

The applicant has 2 business days to accept or decline the conditional approval.

Applicants who are otherwise qualified but whose credit information is unavailable or insufficiently established will fall in the "Approved with Conditions" category.

Applicants who are otherwise qualified but have no Social Security Number or Individual Taxpayer Identification Number will not be considered.

Rental scoring systems assign points to certain factors identified as having a statistical correlation to future financial lease performance. Your rental score results from a mathematical analysis of information found in your credit report, application, and previous rental history. Such information may include your bill-paying history, the number and type of accounts you have, collection actions, outstanding debt, evictions, bankruptcies, income, and the number of inquiries in your consumer report. The final number, or rental score, represents an estimated level of risk as compared to the performance of other consumers in a range of scores.

Rental scoring treats all applicants consistently and impartially. Additionally, your rental score never uses certain characteristics like – race, color, sex, familial status, handicap, national origin, or religion – as factors.

Co-Signers: Parent/legal guardian can co-sign for their children 18 years of age or older.

Parent/legal guardian/family caregiver can co-sign for adult family member.

Co-signers will be processed as applicants and named as Lessee co-signers on the lease.

Co-signers must be present along with occupants to sign the lease. If this is not possible, we will require notarized signatures on a copy of the lease to be mailed and/or faxed to us within the 3 day period after the application has been approved.

By signing in the space below applicants are consenting to allow Marsh Properties through its designated agents and employees to obtain consumer credit report and court and criminal record information and to verify any information supplied on the application or other information discovered in the process of screening the applicant for rental housing. All applicants are also consenting to allow Marsh Properties, its agents and employees to obtain additional consumer and criminal reports in the future to update or review customers' accounts if they become a resident or an authorized occupant of a Marsh Properties apartment community.

If the applicant disputes any information obtained by management in processing the application that results in denial or conditional approval of the application, management will give applicant information on the source of information obtained and it shall be the responsibility of the applicant to correct any erroneous information and resubmit an application to this community if he so desires.

Management does not guarantee, warrant or represent that all residents and occupants meet the current resident screening criteria due to the length of residency in comparison to when criteria was implemented or amended. In addition our ability to verify the information provided by an applicant is limited to the information made available to us by our applicant screening agency.

By signing in the space below applicant(s) acknowledges having received a copy of this Resident Screening Criteria, and understands and agrees to the terms.
