Providence Park's Annual Bingo Night!

Tuesday, February 20th
from 6:30-8:30 PM

You will enjoy this annual fun night!
We will serve snacks and you have the chance to win great prizes!

*** BECAUSE OF THE CONTENT THIS EVENT IS FOR 21 & OLDER
PLEASE ***

TOP 5 REASONS WHY YOU SHOULD BE A COURTEOUS NEIGHBOR AT PROVIDENCE PARK...

- #5 - Because pet droppings not picked up outside smell bad and are even worse on the bottom of your shoes.
- #4 - Because cigarette butts thrown off balconies on to the ground are a potential fire hazard.
- #3 - Because loud stereos, TV's and yelling can be very disturbing to others while trying to sleep and/or work.
- #2 - Because the floor that you are running back and forth on, bouncing balls on and exercising on is someone else's ceiling. That can get very bothersome.
- And the #1 reason for being a courteous neighbor...

BECAUSE IT'S THE RIGHT THING TO DO!

Winter Maintenance Tips

From Andy

- * Please only put toilet paper into the commodes. No paper towels, wet/baby wipes or feminine products.
- * As it gets colder outside, call the office if you would like your fireplace pilot light turned on.
- * Your service team can change furnace filters for you. Call the office for that service.
- * If you live on Alexander Valley Drive your hot water can be limited if you have the heat running at the same time as you are showering.
- * When going out of town don't turn your heat off. Turn heat to 55 so pipes won't freeze.

HOUSEKEEPING

- ⇒ Helpful hint....keep up with the maintenance of your floors. At least once a year have your carpets professionally cleaned.
- ⇒ Please ensure that you are replacing burned out bulbs with the same type of bulb. We will continue to replace the fluorescent bulbs and exterior front door bulbs for your convenience.
- ⇒ Thank you for not leaving trash at your front door. Kindly bring it immediately to the trash area. We will compact it for you!

VEHICLES

Please remember to keep your tags and registration current.
All vehicles should also be in working order.

Commercial vehicles are NOT permitted on the property.

Grease Is Your Drain's Worst Enemy So Please Remember...

DO

- Pour greasy or oily food waste into a container, NOT down the drain or garbage disposal.
- Allow animal fats to cool or freeze in the container before throwing them in the trash.
- Mix liquid vegetable fats with an absorbent material such as cat litter or coffee grounds in a sealable container before throwing into the trash.

DO NOT

- Pour oil or grease down drains, garbage disposals or toilets.
 - Use hot water to rinse grease off cookware, utensils, dishes or surfaces.
 - Put food scraps down drains.
- Collect It, Absorb It, Seal It, Trash It!**
