Maintenance tips brought to you by your Maintenance Supervisor.

Please submit a request for service at least every three months to have your air filter replaced.

A way to lower your energy costs is to turn your A/C up to at least 75 degrees when you are gone for the day or on a trip. Make it a good habit to check under your kitchen and bathroom sinks often for leaks that may go undetected creating additional water cost and to lessen the chance for damage to your personal items and the structure. Thank you for your help in this important effort.

Grease Disposal Reminder

Please do not put cooking oil or grease down the sink. Let it cool in the pan, pour it into an empty container, place the container in a plastic bag and throw it in the garbage.

Pool Reminders

The pool area is open from 10:00AM until 10:00PM No night swimming is allowed.

Guests must be accompanied by a resident.

Amenity wrist bands are required at the pool.

Glass containers are not permitted in the pool area and alcoholic beverage containers must be covered. We ask this for the safety and comfort of all residents.

Thank you!

Recycling Reminders

In order for our recycling centers to be efficiently serviced by the City of Charlotte, we ask all boxes be broken down and placed inside the recycling enclosure. Please do not place bagged or un-bagged trash or any other items in the recycling containers or enclosures.

What can go in our recycling containers?
According to the City of Charlotte...

Aerosol Cans (empty), Aluminum Cans, Cardboard (flattened), Cereal Boxes, Glass Bottles & Jars, Magazines & Phone Books, Metal Cans, Milk & Juice Cartons, Paper, Junk Mail & Newspaper, Pizza Boxes, Plastic Bottles & Jugs (Please leave the caps on.)

Thank you!
