Office phone number: (704) 844-9410

Please Follow Us

@providence park clt

## Spring Mingle!

The Easter Bunny is hopping and stopping by March 29 from 3 til 5pm to deliver Easter Egg Treats to all! Come enjoy some EGGcellent treats!

# Recycling Reminders

In order for our recycling centers to be efficiently serviced by the City of Charlotte, we ask all boxes be broken down and placed inside the recycling enclosure. Please do not place bagged or un-bagged trash or any other items in the recycling containers or enclosures.

## What Can Go In Our Recycling Containers? According to the City of Charlotte

Aerosol Cans (empty) , Aluminum Cans Cardboard (Flattened), Cereal, Boxes Glass, Bottles & Jars, Magazines & Phone Books, Metal Cans, Milk & Juice Cartons Paper, Junk Mail & Newspaper, Pizza Boxes, Plastic Bottles & Jugs (Leave the caps on)

### Grease

Do not put cooking oil or grease down the sink. Let it cool in the pan, pour it into an empty container, place the container in a plastic bag and throw it in the garbage.

# Andy's Corner

Maintenance tips brought to you by your

Maintenance Supervisor

Check for any leaks under your sinks and in the water heater closet. Check for any running toilets as well. If you find any issues, please call the office so we can address them promptly.

Your air filter should be changed at least every 3 months. Please put in a request for service through Active Building or call the office if your filter is due to be changed.

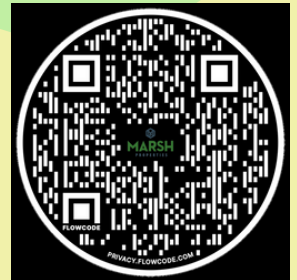

## Google Reviews!

We appreciate you and want to hear from you. Please let us know about your experience as a resident of the Providence Park community!

Thank you!

LOVE WHERE YOU LIVE!

Scan the QR Code and make our day by leaving a Google review!

## Daylight Saving Time!

Don't forget to set your clocks forward an hour on March 10th. Let's all enjoy the sunny days ahead!

## Winter Safety Tips

Tips for protecting your apartment home during a freeze.

- 1) **Let your faucets drip!** Run both hot and cold water in a very fine stream in each of your apartment's faucets.
- 2) **Open your cupboards!** Leave the cabinet doors under all sinks open so that the pipes will be ventilated with warm air. Leaving the bathroom and kitchen doors open helps too.
- 3) **Heat your home!** If you leave for the day (or an extended period of time) do not turn the heat completely off. Turn it on, set to the lowest setting you wish (60 degrees is recommended).
- 4) **Be alert!** If you see anything unusual for example if your water does not come on, or if you see water leaking anywhere in or around your apartment building, notify the leasing office and the maintenance team immediately!
