NEED-TO-KNOWS

Do's...

Pour greasy or oily food waste into a container NOT down the drain or garbage disposal..

Allow animal fats to cool or freeze in the container before throwing them in the trash.

Mix liquid vegetable fats with an absorbent material such as cat litter or coffee grounds in a sealable container before throwing into the trash.

SAVE YOUR SINK

Pour oil or grease down drains, garbage disposals or toilets.

Use hot water to rinse grease off cookware, utensils, dishes or surfaces.

Put food scraps down drains.

...and Don'ts

Collect it, Absorb it, Seal it, Trash it!

BIRD FEEDERS

Providence Park has seen an increase in calls reporting squirrels and mice
being attracted to bird feeders. In order to minimize the recurrence and their
entering the buildings we have been advised by our pest control contractor
that bird feeders should not be kept on patios, balconies or anywhere near a
building. **If you have not already done so, please remove them.**

PET WASTE

As a common courtesy, we ask pet owners to be responsible and clean up after their dog.
No one wants to step in it, and it is the neighborly thing to do. Pet waste stations are provided
throughout the community, and we ensure they are stocked.

Most importantly, when a resident applies to bring their pet, they agree to remove pet waste
every time. If you see who is not picking up after their pet, please call the office and we can
address the issue with the individual resident.

LUXER PACKAGE SYSTEM

Providence Park now has the Luxer Package System to pick up your packages.
With every package that is delivered a code will be sent to you via email or text.
It is located in the clubhouse and can be accessed 24/7 through the side door entry using the
security code provided to you.
