

Two covered porches are the hallmark of this lovely floorplan. The first is off the large living room and formal dining room. A gas fireplace with marble surround and built-in bookcase bring elegance to this distinctive room. The second porch is off the master bedroom suite which also has an enormous walk-in closet with built-ins. Throughout this apartment, you'll find thoughtful architectural details like crown mouldings, oversized insulated windows and extra plush wall-to-wall carpeting. Lots of storage, 3 full baths and a great kitchen make this floorplan supremely comfortable.
