

*Phase 2*

You'll feel right at home as soon as you enter through the inviting front door into the separate foyer. Walk a little farther and experience the giant living room with adjoining dining room and the large balcony that's sure to bring you enjoyment every day. There are so many warm features in the Myers over Sunroom, from the kitchen window over the sink to the linen closet in the guest bathroom to the double walk-in closet in the master bedroom.
