

Phase 2

The Crowell will exceed your expectations in every way. The kitchen is located beside the dining room making entertaining a breeze. The living room is both spacious and accommodating to all furniture shapes and sizes. You'll feel like you're in the lap of luxury when you enter the master suite with its double vanity, large stand-up tile shower and spacious walk-in closet. The second & third bedrooms are just as pleasing from the large windows to the oversized walk-in closets.
